

# FOOD PROGRAM Memo

**JANUARY 2017**

Welcome to the new and improved 4-C CACFP Monthly Memo! Many of you who received the memo in a paper format in the past are now receiving it electronically instead – this is because the new format is designed to work best electronically (on your phone, tablet, computer, etc.). If you are getting a paper copy and want to receive it electronically instead, please contact us with your email address. If you are getting an electronic copy and want a version you can print out or save– the 4-C website ([www.4-C.org](http://www.4-C.org)) has all of the memos saved in a PDF format. In the new format, you will find all important announcements and updates in this first section and the other sections will give you useful tips, fun ideas, and connect you with other providers.

The December reimbursement will be deposited or checks mailed by Friday, February 3, 2017.
