

Certified Child Care Driver Orientation

This form may be used to meet the requirement that each driver who is not the child care operator (provider) receive an orientation of the items listed in DCF 202.08(9)(e)1-9.

Driver Name:	Certified Provider's Name:
Driver Start Date:	First Day Transporting:

Policy/Procedure	Date Reviewed
Procedure for ensuring all children are properly restrained in the appropriate child safety seat.	
Procedure for loading, unloading, and tracking of children being transported.	
Procedure for loading, unloading, and tracking of children being transported.	
The procedure for evacuating the children from a vehicle in an emergency.	
Behavior management techniques for use with children being transported.	
Applicable statues and rules affecting transportation of children.	
First aid procedures.	
Information on special needs of a child being transported and the plan for how those needs will be met.	
Procedure for handling and reporting accidents or moving violations.	
Use of Vehicle Alarm (if applicable)	

I attest that the certified child care provider reviewed the policies and procedures listed above on the date listed and that transportation was not provided to child care children prior to the date of this orientation. I will follow all procedures listed above and agree to abide by all traffic laws while child care children are being transported.

Signature of Driver:	Date:
-----------------------------	--------------

I attest that I, the certified child care provider, provided an orientation to the driver listed on this form. The policies and procedures listed above, as well as all DCF 202.08(9) Transportation rules, were reviewed. If at any time I feel the driver listed on this form is not fit to safely transport child care children, I will not allow the driver to transport.
