

DCF Approved Agencies Offering Correspondence Non-Credit Courses for Certification

In order to become a certified provider, individuals are required to take both the Introduction to the Child Care Profession (Intro) and the Fundamentals of Family Child Care (FFCC) or a course/courses approved by The Registry (<https://www.the-registry.org/>). CPR for Infant/Children is also required. Look at the other side of this form for more information about CPR.

Infant/Child CPR Class Information – Spanish and English

Certification Regulations require caregivers to complete an Infant/Child CPR course every 2 years. The training must result in a certificate of completion. If the certificate of completion does not have a date specifying the length of time for which it is valid, the CPR training must be renewed every year. The following is a list of agencies that offer CPR within or close to the area that 4-C Certification serves.
