4-C CACFP SOFTWARE UPDATE

By now everyone should have received a letter in the mail with information about the upcoming change in software programs for the 4-C CACFP. Here is a link to an electronic copy of the letter <https://bit.ly/31M8lvB>. We will be contacting everyone again in September with all the details about the switch – in the meantime, if anyone has any questions, don't hesitate to contact us!

Please keep in mind that once the software systems changes, you will not have access to KidKare – if there are any records from this system you'd like to be able to access at a future date, please remember to pull reports and either print or save them.
