FOOD PROGRAM Memo

Thanks to all for your patience while KidKare is still working out some bugs with the program since switching to the new meal pattern.

INFANT SPOTLIGHT

DPI has recently updated their Infant Meal Pattern chart – it can be found at https://dpi.wi.gov/sites/default/files/imce/community-nutrition/pdf/gm_12c_infantmeal_patt.pdf.

Updates include:

- ✓ More information about delaying the introduction of solid foods and what zero (0) means on the meal pattern.
- ✓ An * next to the “One or more items from the following” sentence for breakfast/lunch/supper, which is a note about grain items not being creditable at breakfast, lunch and supper.
- ✓ Includes the words “at snack” in reference to creditable grains in the *Additional Requirements* section.

- Using a rolling pin, flatten each piece of bread until it is thin.
