Pro Tips:
• Using muffin tin paper liners makes serving and clean up easier. During the holidays look for fun, themed paper liners. Serving in a fun liner will encourage the children to try the recipe.
• Be careful when preparing meals in muffin tins, required amounts are different for snack verses lunch or supper. Check meal pattern for correct requirements for meal component if using any above recipes for a different mealtime.
• Muffin tin recipes are an easy way to get children involved with meal preparation.
• Silicone muffin cups are reusable which saves money and children love them.
