4-C staff adapted and adjusted operations in 2020 in response to a global pandemic and racial injustice -- all to support a child care system already in distress.

Supported distribution of hand sanitizer and PPE in high demand

Adjusted services to continue supporting all programs

Provided guidance to programs on difficult decisions such as whether to stay open

Supported distribution of $3.4 million in Dane County funded child care grants to 489 child care programs

Offered child care referral services to frontline workers

Provided ongoing technical assistance to child care programs to help interpret ever-changing health and safety guidelines

Shared our commitment to build an equitable future for all children to end racism and advocate for vulnerable populations
