Through Annual Giving

4C

\$15,000 Bi-annual expense to sponsor a Play & Learn location

Play & Learn sessions provide parents and caregivers a **free** opportunity to bring their children (ages 3+) to a space where they can **meet with other caregivers** as our specialists model appropriate engagement, **encourage positive interactions**, and share resources to **help with challenging behaviors**.

\$10,000 Annual cost of a rural Resource on the Road route

Our **Resources on the Road** initiative brings early childhood resources to child care providers and families in rural Wisconsin communities. This provides **equitable access to high quality resources** such as children's books, activity backpacks, and themed toy kits.

\$5,000 Funds needed to hold a Parent Café series

During **Parent Café** sessions, **parents and caregivers** can share concerns related to raising their children. These allow an **opportunity for socialization** with others going through similar situations and are structured to provide a **positive influence and support** in their lives. Each Parent Café session includes a full family style meal and child care for all participants.

\$2,500 Cost to train a WI Pyramid Model cohort
